#### **Section E - Consultation**

#### **Land Owner**

Applicants must consult about proposed research with landowners or other groups that may have land rights in the study area. Copies of relevant correspondence with individual property owner(s) <u>must</u> be attached to the permit application (if applicable).

#### **Communities**

N-----

Applicants must complete the Nunatsiavut Interim Research Proposal which outlines the details of your consultation with communities nearest to your research project. The appropriate form is available at: <a href="http://www.nunatsiavut.com/pdfs/Interim\_Research\_Sept\_08.pdf">http://www.nunatsiavut.com/pdfs/Interim\_Research\_Sept\_08.pdf</a> or inquire with the permitting archaeologist for a copy.

### Section F - Arrangements for Artifact Conservation and Collection

Applicants must provide the name, address and telephone number and of the conservator that has been consulted and retained to provide conservation services for the artifacts that will be collected (Please attach a resume or statement of qualifications for conservator).

Name of Conservator.
Mailing Address:
Telephone:
Fax:
E-mail:
Indicate the Budget allocation for the conservation of artifacts:
Where will the artifacts, faunal remains, and associated samples be housed for analysis before their return to the permanent repository? Written permission must be obtained from the Nunatsiavut archaeologist before materials can be transferred from institution to institution.
Schedule of Return of Material to Nunatsiavut:
